

UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

4 Luis Adelmo Guillen Orejel,

Case No.: 2:24-cv-00863-CDS-NJK

Plaintiff

Order Granting Stipulated Motion to Extend Response Deadline

V.

Merrick Garland, et al.,

[ECF No. 13]

Defendants

10 Plaintiff Luis Adelmo Guillen Orejel and defendants Merrick Garland, UR M. Jaddou,
11 Alejandro Mayorkas, Mirash Mick Dedvukaj, and Michael Klinger jointly move to extend the
12 deadline for defendants to respond to the complaint. ECF No. 13. Defendants request a 60-day
13 extension, which would move the response deadline from August 13, 2024 to October 11, 2024.

15 Because the parties believe they have reached an agreement that would eliminate the
16 need for further litigation and could lead to a dismissal of this case, I find that they have
17 sufficiently established good cause, so their extension request [ECF No. 13] is GRANTED nunc
18 pro tunc to the date of the request. The new deadline by which the defendants must file an
19 answer is October 11, 2024. 

Dated: August 14, 2024
